Any student wishing to run for an officer position must fill out the application form, turn it into Mrs. Bowling, and schedule an interview with Mrs. Bowling before or after school. After all interviews are completed names will be placed on a ballot and students will vote for officers on August 30. Any student who is elected to an officer position is expected to represent the Choir Program in a positive manner and attend all monthly officer meetings. Excessive absences from meetings as well as behavior issues in and outside of the choir room are reasons to be dismissed from an officer position. Any position losses or changes are up to the director's discretion.

Choir Booster Club

The Choir Booster Club is composed of parents who support the choir program and its directors. They are willing to get involved in one of a variety of ways to assist us! Grading Procedures

The diligent, hard-working members of the Red Oak Choir Department know that being in choir does not necessarily mean an “easy A”. Grades are an important part of choral music education. Tutorials are offered at a variety of times and can be arranged by making a morning or afternoon appointment. Grades will be determined by the following:

Class Contribution -Classwork and Homework Grades (60%)

- DAILY PARTICIPATION/COOPERATION
- Each student has the opportunity to make a 100 during each week that the class meets. Weekly grades are assessed per rehearsal and include such areas as tardiness, having materials ready, cooperation, rehearsal focus, positive attitudes, etc. (*See Participation Grading Code at the end of the page*)
- REQUIRED EXTRA REHEARSALS
- WRITTEN WORK / RECORDED WORK
- FOLDER CHECKS

Evaluation – Test Grades (40%)

- CONCERT ATTENDANCE (**REQUIRED FOR ALL STUDENTS**)
- REQUIRED EXTRA REHEARSALS
- AURAL AND WRITTEN TESTS
- PERFORMANCE EVALUATIONS
- ALL-Region PARTICIPATION and SOLO & ENSEMBLE CONTEST PARTICIPATION

EXTRA CREDIT

- ATTENDANCE AT HIGH SCHOOL CHOIR CONCERTS AND OTHER FINE ARTS EVENTS

Daily Rehearsal Expectations

- 1) *Respect* your director & the people around you.
- 2) *Follow directions* and *maintain a positive attitude* throughout rehearsal.
- 3) *Be on the risers by the time the bell rings*. Being tardy will negatively affect your daily participation grade. Have your folder, music, sight-reading materials, and pencil, highlighter and red pencil – in hand – every day!
- 4) *No personal belongings on the risers...* this includes books, backpacks, purses, phones, etc.
- 5) *Cell Phones are only permitted for instructional purposes and with the permission/instruction of the director*.
- 6) *Take care of your folder & your music*. If you leave your folder out and we have to pick it up, it will remain in “folder jail.” The cost to bail out your folder is \$1 “Choir Dollar”.
- 7) Make the appropriate markings in your music on a daily basis – pencil only! We encourage you to take your music home for practicing purposes, but PLEASE bring it back every single day. Missing music will result in a loss of daily participation points.
- 8) If you are sick or are unable to actively participate in class, notify your *director* before class begins so that your grade isn’t affected, and remain focused during rehearsal.
- 9) No food, drink, or *gum* allowed on the risers (with the exception of bottled water.)
- 10) Choir students are expected to be model citizens inside AND outside of the choir room.
- 11) Daily attendance is expected. An absence can be made up for grading purposes, but the rehearsal missed and PROGRESS made cannot be recaptured.
- 13) Stay informed! Update your calendar! Listen in class! Check CHARMS! Read the boards daily for announcements! Check the calendar on the wall! It’s super important that you know when, where, and what is going on in this program!

WEEKLY PARTICIPATION GRADING CODE

All choir students will receive 100 participation points per week if the following criteria are met. Failure to meet these expectations on a daily basis will result in the loss of five points, per offense.

- On time to class *on risers when the bell rings*
- Materials in hand: pencil, music, sight-reading, etc.
- On task during rehearsal
- No phones, watches, homework, books, gum, food, etc. during rehearsal.
- No discipline and/or behavior issues during rehearsal

After School Rehearsals and Sectionals

For sectional rehearsals, Varsity students will be given blank schedules to fill out. Using these schedules, the Director will determine the best days of the week for practice and give out permanent schedules at least a week before the sectional rehearsals start. Weekly sectionals are required for Varsity level choir, and any extra rehearsals deemed necessary by the director are also required. Any and all after school rehearsals and sectionals are a grade.

Concert Expectations

The concerts are a Texas Essential Knowledge and Skills (TEKS) requirement of an extracurricular choir class. The students will receive 4 test grades for every concert and attendance is mandatory. Concert dates and times will be communicated well in advance.

Student Attire (Tenor-Bass classes): Tux shirt and pants given to them at school. Pants need to be hemmed before the first concert. Black dress shoes with black socks. Bow ties will be given to them at the concert. No jewelry or watches.

Student Attire (Treble classes): Black choir dress given to them at school. Dress must be hemmed before the first concert. Black closed toed flat shoes. Hair is to be up and out of face, black headbands are acceptable to help keep hair back. No jewelry (except small, neutral color stud earrings- no larger than a pea).

Student Attire (Bella Voce and Cantori): Black pants, black shoes, and Choir Shirt (paid for with Choir Fee). Hair is to be up and out of face, black headbands are acceptable to help keep hair back. No jewelry (except small, neutral color stud earrings- no larger than a pea).

Make-Up Work Policy

Any student who misses a written or aural test will have three days (as per district policy) to make up that test. Written tests can be made up during class, Aural test make-ups must be scheduled with their Director for a time before or after school. Any student who misses a concert or rehearsal will be allowed three days (as per district policy) to turn in a make-up assignment. The make-up assignment is the same for any missed experiences: a written or emailed explanation for absence sent from or signed by the student's parent, **and** a two page (12pt times new roman font double spaced) biography of a composer. Ms. Bowling or Ms. Dunn must approve the composer before the essay is turned in. Class time will not be given for concert, rehearsal or aural make-up assignments.

Attendance & Eligibility Policies

As a member of ROMS Choirs, students have an obligation to fellow choir members to be present for all rehearsals (during school and outside of school) and to participate in all concerts and performances.

Outside of School Attendance:

Students are informed of sectionals, rehearsals, and concert dates and times well in advance. *These events are required and graded.* Students are excused from these times only in the event of illness, family emergency, or conflicting school activity. It is up to the student to communicate other school conflicts to the director, with a cooperative spirit, as soon as the conflict is known. Excused absences may be made up for credit by scheduling outside of school make-up time with your director and possibly performing for your class. Unexcused absences from outside of school events will result in a reduction of grade, and possible removal from performance opportunities. Unexcused absences include, but are not limited to: work, transportation issues, Non-District activities, etc.

Eligibility:

Please note that eligibility for field trips and contests are determined by the previous grading period. Choir students must remain academically eligible in ALL classes throughout the school year to ensure full participation in all events and activities sponsored by the choral program to include UIL Competitions and Spring Choir trips. A student who fails more than two six weeks of a year will not be eligible for membership in a Varsity Level Choir the next year. Students can also lose eligibility based on their behavior. Any student who is deemed ineligible for an activity based on their behavior will be made aware if they are unable to attend an event well in advance, as well as their parents. Remember all events such as field trips are privileges and if a student needs to be removed based on their behavior that decision will solely be made by their Director. Students do not have to be academically eligible to attend concerts, as they are graded and required for every choir student.

Discipline

All students are expected to be respectful and attentive during each rehearsal. A choir is only as strong as its weakest singer, so each student is expected to give all they've got! All Directors will be following the district policies on student behavior, but simply, they are as follows:

1. Verbal correction
2. Parent phone call
3. Teacher detention
4. School detention
5. Referral

Communication is key when helping students be the very best that they can be. If there are ever any questions, please do not hesitate to call (972) 617-0066. Repeated or severe infractions can result in a change in choir class, or dismissal from the Choir Program. Dismissal from the choir program is the sole decision of the Choir Director(s).

INFORMAL ATTIRE: Choir Shirt
